

Introduction to Cybersecurity Learn-A-Thon

Enrollment Instructions

Wing Coordinators will be emailing enrollment links to each Wing cadet and senior member (see list on last page). Their link takes them to the self-enroll page for their Wing, which makes it possible for Wing Members to compete and earn prizes.

Example: The National Wing Course Enrollment page looks like this:

Introduction to Cybersecurity - National Wing

Civil Air Patrol

Description

With billions of devices now online, new cyber threats pop-up every second.

Civil Air Patrol Members are invited to participate in a free 2-week online Learn-A-Thon: a self-paced 15-hour course exploring the basics of Cybersecurity. You can be part of the change and help fill the global skills shortage to build the technology workforce of tomorrow.

Whether you're attracted to the world of cybersecurity as a professional, or just interested in protecting yourself online, don't miss this introductory course. It explores cyber trends and threats in a way that will matter to YOU. For instance, you'll learn how to protect your personal privacy online while gaining insight on the challenges that companies, government and education institutions face today.

CAP Members who participate in the Learn-A-Thon will receive a **Learn-a-Thon Experience Badge**. CAP Members who PASS the course will also receive a **Cisco Intro to Cybersecurity digital badge**.

Remember, this is a competition for bragging rights within your Wing! Help support your Wing by making sure all members enroll and complete the course!

Each member submits their First Name, Last Name and Email Address here.

Note: If you already have a netacad.com account, please use that same email address. This ensures the Learn-a-thon will be linked to your current account. There is NO WAY to merge different NetAcad.com accounts.

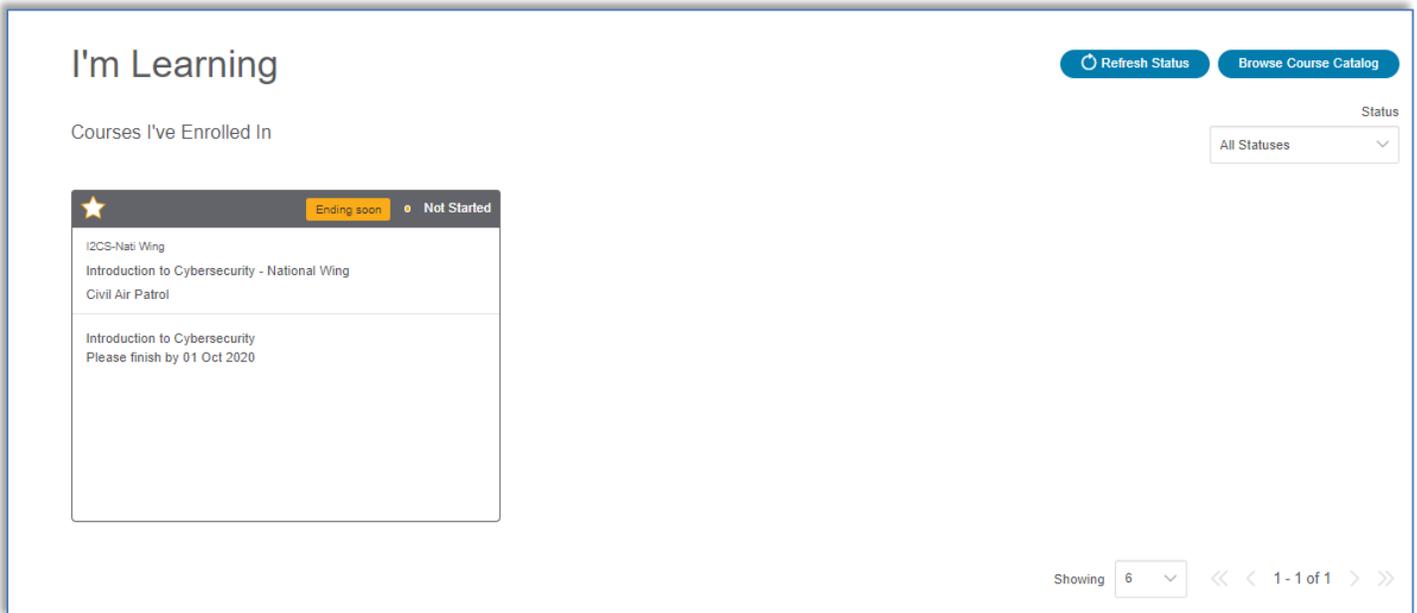

If you are brand new to Networking Academy, you will receive an email asking you to create your profile (the email will look like this):

Click on the URL: <https://www.netacad.com/portal/> and create your profile (webpage looks like this):

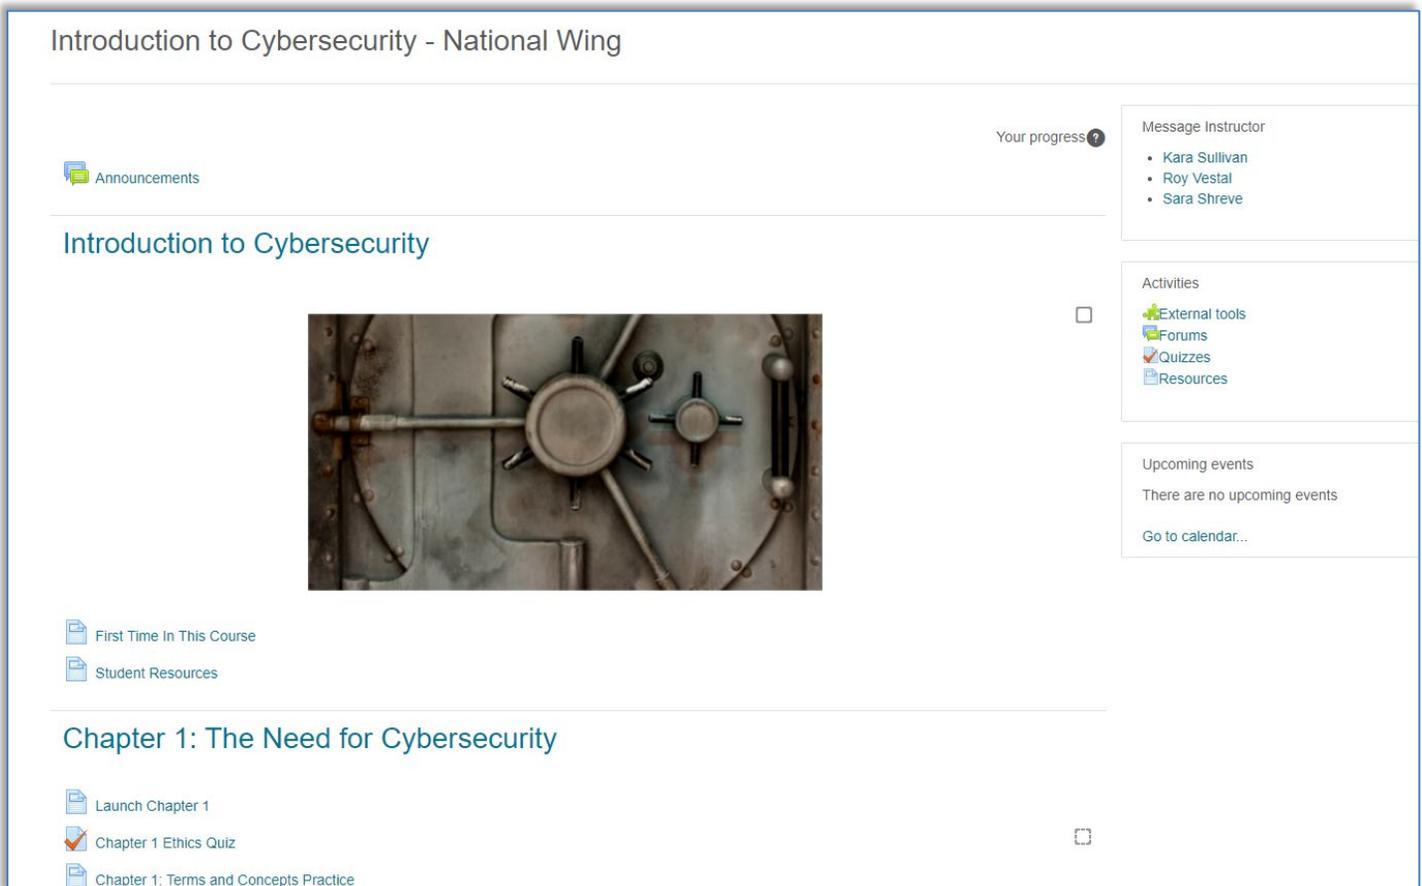

The screenshot shows the profile creation page on the Cisco Networking Academy website. The page has a header with the Cisco Networking Academy logo. The main heading says "We're excited to have you join us. Before you get started, we need to know a few things about you." The form includes several fields: "Language" (set to English), "First Name" (Sara), "Last Name" (Shreve), "Email Address" (sashreve@pdx.edu), "Gender", "Country" (United States), "State", "What is your practical experience in IT or networking?", "Do you have a Disability?", "Birth Date" (02 Sep 2020), "Race/Ethnicity (voluntary)", and "Are you serving or have you served in the U.S. Military?". There is a checkbox for "Please send me important emails from Cisco Networking Academy" which is checked. At the bottom, there is a "Create Account" button and a note about the Terms and Conditions, Privacy Statement, and Cookie Policy.

Once you are logged in, navigate to your "I'm Learning" page, where you will find a box containing the Learn-A-Thon course, as seen below:

The screenshot shows the "I'm Learning" page. At the top left is the heading "I'm Learning". To the right are two buttons: "Refresh Status" and "Browse Course Catalog". Below the heading is the section "Courses I've Enrolled In". On the right side of this section is a "Status" dropdown menu currently set to "All Statuses". A course card is displayed with a star icon, a yellow "Ending soon" badge, and a "Not Started" indicator. The course title is "Introduction to Cybersecurity - National Wing" under the "I2CS-Nati Wing" category. Below the title is the text "Civil Air Patrol" and "Introduction to Cybersecurity Please finish by 01 Oct 2020". At the bottom right of the page, there is a "Showing" dropdown set to "6" and navigation arrows with the text "1 - 1 of 1".

When you are ready, click **Launch Course** and begin your Learn-A-Thon experience with the free self-paced 'Introduction to Cybersecurity' course (initial course page looks like this):

The screenshot shows the course page for "Introduction to Cybersecurity - National Wing". The main heading is "Introduction to Cybersecurity". Below the heading is a large image of a metallic panel with various pipes and valves. On the right side, there is a sidebar with several sections: "Your progress?" with a question mark icon; "Message Instructor" with a list of names: Kara Sullivan, Roy Vestal, and Sara Shreve; "Activities" with a list of icons and labels: External tools, Forums, Quizzes, and Resources; and "Upcoming events" with the text "There are no upcoming events" and a "Go to calendar..." link. On the left side, there are two links: "Announcements" and "First Time In This Course". Below the main heading, there are two more links: "Student Resources" and "Chapter 1: The Need for Cybersecurity". Under "Chapter 1: The Need for Cybersecurity", there is a list of items: "Launch Chapter 1", "Chapter 1 Ethics Quiz" (with a checkmark icon), and "Chapter 1: Terms and Concepts Practice".

Remember, this is a competition! Encourage all members in your Wing register and complete the course!
